Vscode, Github, Codepen

RELEVANT EXPERIENCE

Core member @ HCMUT DSC

June - Dec 2020 // HCM city, Viet Nam
Google Developer Student Club

INTERESTS

Movies, music, basketball,
traveling, swimming

Insanely curious person who always seek out to meet new people with **unique interests** and share the love to travel and explore different parts of the world.

PROJECTS

Personal Discord Bot

Self-implemented Discord music bot

Provides commands for playing audio tracks in Discord voice channel. Researches and develops new ways to improve development process.

Timbr

Audio-based Recommendations using the Spotify API

Suggest song playlists based on audio features such as valence, energy, danceability, instrumentality, ...

Online Portfolio

Personal website

A small gallery where I blog and share whatever side projects I've been working on.

EDUCATIONAL BACKGROUND

Le Hong Phong High School For The Gifted

2017 - 2020 // HCM city, Viet Nam
Graduated with honors

Monash University

2021 - present // Melbourne, Australia
Bachelor of Computer Science
